

PROFILE

I'm a student and I am a 2nd year Telecommunications and Informatics Student at Instituto Superior Técnico.

I consider myself to be charismatic and curious who tries to do everything in his power to do any jobs at hand. I'm persistent, resilient and I want always to be the best version of myself. As everyone else, I have flaws, but I strive to be better every day and to be a better person as well.

VOLUNTEERING EXPERIENCE

First year Mentor at Instituto Superior Técnico

- I'm currently a mentor of a group of first year students of the Instituto Superior Técnico's Mentoring Program. My job is to help them be introduced to Técnico and help them throughout their first year. It's very educating teaching and helping them, because at one point I was just like them, so I want to help them as much as possible.
